To: Reno City Council

From: Matt Birch, Chief of Police, Reno Police Department

Date: February 1st, 2016

Subject: Reno Police Department 2015 Racial profiling report

In 2001 the state of Texas took steps to combat racial profiling in policing by passing the racial profiling law. Since then, Reno Police Department, in response to the law being passed, has enacted policies and general orders to ensure its officers are abiding by those laws and ensuring its officers use only information based on standards of reasonable suspicion and probable cause as required by the 4th Amendment of the US Constitution and statutory authority.

Also in response to the law, Reno Police Department makes a complaint form readily available in the public areas of City Hall near the billing windows and near the Police Department entrance. Racial profiling is also a priority on the department's webpage where anyone can find a copy of the complaint form.

In addition to the 2015 Racial Profiling Report and data, you'll find a copy of the Racial Profiling law, a copy of the department's policy on Racial or Biased Based Profiling, and a copy of Reno Police Department complaint form.

This report covers all of 2015 and is further documentation that Reno Police Department is in compliance with the law regarding racial profiling and is proactive and transparent regarding this issue.

If you should have any questions about this report, please feel free to contact me at any time.

Sincerely,

Matt Birch

Chief of Police

Reno Police Department

I. PURPOSE

The purpose of this order is to reaffirm the City of Reno Police Department's commitment to unbiased policing in all its encounters with any person; to reinforce procedures that serve to ensure public confidence and mutual trust through the provision of services in a fair and equitable fashion; and to protect our officers from unwarranted accusations of misconduct when they act within the dictates of departmental policy and the law.

II. POLICY

A. It is the policy of this department to police in a proactive manner and to aggressively investigate suspected violations of the law. Officers shall actively enforce local, state and federal laws in a responsible and professional manner, without regard to race, ethnicity, sex, gender, age, religion, or national origin. Officers are strictly prohibited from engaging in racial profiling as defined in this policy. Racial or biased based profiling is an unacceptable police tactic and will not be condoned.

B. This General Order is adopted in compliance with the requirements of Articles 2.131 through 2.136, Texas Code of Criminal Procedure, which prohibits Texas peace officers from engaging in racial profiling.

III. DEFINITIONS

A. Racial or biased based Profiling - a law enforcement-initiated action based on an individual's race, ethnicity, sex, gender, age, religion, or national origin rather than on the individual's behavior or on information identifying the individual as having engaged in criminal activity. Racial or biased based profiling pertains to persons who are viewed as suspects or potential suspects of criminal behavior. The term is not relevant as it pertains to witnesses, complainants, persons needing assistance, or other citizen contacts.

B. Race or Ethnicity - persons of a particular descent, including Caucasian, African, Hispanic, Asian, or Native American descent.

C. Acts Constituting Racial or biased based profiling - acts initiating law enforcement action, such as a traffic stop, a detention, a search, issuance of a citation, or an arrest based solely upon an individual's race, ethnicity, sex, gender, age, religion, or national origin or on the basis of racial, ethnic, or any other stereotypes, rather than upon the individual's behavior, information identifying the individual as having possibly engaged in criminal activity, or other lawful reasons for the law enforcement action.

D. Pedestrian Stop - an interaction between a peace officer and an individual who is being detained for the purposes of a criminal investigation in which the individual is not under arrest.

E. Traffic Stop - the stopping of a motor vehicle by a peace officer for an alleged violation of law or ordinance regulating traffic.

IV. PROHIBITION

A. Officers of the Reno Police Department are strictly prohibited from engaging in racial or biased based profiling. The prohibition against racial or biased based profiling does not preclude the use of race, ethnicity, sex, gender, age, religion, or national origin as factors in a detention decision by an officer. Race, ethnicity, sex, gender, age, religion or national origin may be legitimate factors in such a decision when used as part of a description of a suspect or witness for whom an officer is searching.

V. COMPLAINT PROCESS

A. No person shall be discouraged, intimidated or coerced from filing a complaint, or be discriminated against because they have filed a complaint.

B. Any person who believes that a peace officer employed by the Reno Police Department has engaged in racial or biased based profiling with respect to that person, may file a complaint in accordance with the department's complaint process.

1. An employee who is contacted regarding a complaint against an officer shall follow the procedures set forth in the department's policy manual.

D. Complaints of racial or biased based profiling shall be investigated by the department, unless otherwise directed by the Chief of Police. A file of all Racial Profiling Complaints will be maintained by department.

VI. DISCIPLINARY AND CORRECTIVE ACTIONS

Any department officer who is found, after investigation, to have engaged in racial or biased based profiling in violation of this General Order may be subject to disciplinary action, up to and including termination.
